December 2015

## Happy Holidays from the Office of the Associate Dean for Research and Graduate Education!

All of us in the ADR team would like to wish you merry holidays and happy New Year!

Thank you for all your contributions that helped to make 2015 a great year for research in the College of Pharmacy.

We are looking forward to 2016!

*Happy Holidays*

## More Research News

Save the Date: COP Research Day is on Friday,

February 26, 2016:

## **A New Model for Drug Development in Academic Institutions**

This year's keynote speaker is [Dr. Dennis Liotta](#) from Emory University. Dr. Liotta is an inventor on 75 issued US patents, many of which cover the antiviral and anticancer drugs and drug candidates he has discovered. In the United States he is recognized as one of the premier discoverers of novel therapeutics, having been one of the inventors associated with ten FDA approved therapeutics including Epivir, Combivir, Trizivir, Epzicom, Epivir-HBV, Emtriva, Truvada, Atripla, Complera and Stribid. He was also a postdoctoral mentor of our colleague, Dr. Terry Moore.

[Find out about the program and poster competition.](#)

## **Important Dates/Upcoming Events**

[Pilot Project Grant Deadline: Center for Botanical Dietary Supplement Research](#)
